22               the Debtors' bankruptcy case.

23  
24               Collectively, the foregoing documents are the **"Supporting Documents"**.

25               No holder of a claim filed any objection to confirmation of the Plan. Findings of facts  
26               and conclusions of law are as reflected on the record of the hearing on the Confirmation Motion.

27               The Plan satisfies all of the requirements of section 1129 of the Bankruptcy Code as  
28               follows:

1           1.     Section 1129(a)(1). The Plan complies with all applicable provisions of  
2 the Bankruptcy Code, as required by section 1129(a)(1) of the Bankruptcy Code, including  
3 sections 1122 and 1123.

4           2.     Sections 1122 and 1123(a)(1)-(4). As required by Sections 1122(a) and  
5 1123(a)(1) of the Bankruptcy Code, Article III of the Plan designates Classes of Claims and  
6 Interests, other than Administrative Claims and Priority Tax Claims.<sup>2</sup>

7                     a.     Claims are classified separately in Classes.

8                     b.     Interests are classified separately in a Class.

9                     c.     As required by Section 1122(a) of the Bankruptcy Code, each of  
10 the Claims and Interests within a Class are substantially similar to the other Claims and Interests  
11 within that Class.

12                    d.     The classification of Claims and Interests under the Plan is  
13 proper.

14                    e.     Pursuant to Section 1123(a)(2) of the Bankruptcy Code, the Plan  
15 specifies all classes of Claims which are not impaired under the Plan.

16                    f.     Pursuant to Section 1123(a)(3) of the Bankruptcy Code, the Plan  
17 specifies the treatment of all Classes of Claims and Interests which are impaired under the Plan.

18                    g.     Pursuant to Section 1123(a)(4) of the Bankruptcy Code, the Plan  
19 provides the same treatment for each Claim or Interest within a particular Class.

20           3.     Section 1123(a)(5). The Plan provides adequate means for the  
21 implementation of the Plan, including:

22                     a.     The Debtor shall fund payments to Creditors holding Allowed  
23 Claims from available Cash on hand on the Effective Date and from the Debtor's income from  
24 business and rental operations.

25                     b.     All assets and claims owned by the Debtor and her estate, if any,  
26 shall revert in the Debtor on the Effective Date.

27  
28  

---

<sup>2</sup> Pursuant to section 1123(a)(1) of the Bankruptcy Code, Administrative Claims and Priority Tax Claims are not required to be classified.

1                   4.     Section 1123(a)(6).     Section 1123(a)(6) is inapplicable because the  
2 Plan does not provide for the issuance of any new securities. The Debtor is not a corporate  
3 debtor and, therefore, this requirement does not apply to her.  
4 Accordingly, section 1123(a)(6) does not apply. *See In re Acequia, Inc.*, 787 F.2d 1352, 1361  
5 (9th Cir. 1986).

6                   5.     Section 1123(a)(7).     The Debtor will serve as the disbursing agent and  
7 will make all required payments to creditors holding Allowed Claims in accordance with the  
8 Plan. Accordingly, the Plan satisfies the requirement of section 1123(a)(7) of the Bankruptcy  
9 Code.

10                  6.     Section 1123(b)(1).     The Plan impairs or leaves unimpaired, as the case  
11 may be, each Class of Claims and Interests.

12                  7.     Section 1123(b)(2).     In accordance with section 1123(b)(2) of the  
13 Bankruptcy Code, of the Plan provides for the acceptance or rejection of executory contracts  
14 and unexpired leases.

15                  8.     Section 1129(a)(2).     The Debtor has complied with all applicable  
16 provisions of the Bankruptcy Code, as required by section 1129(a)(2) of the Bankruptcy Code,  
17 including sections 1125 and 1126 of the Bankruptcy Code.

18                         a.     The Disclosure Statement and the procedures by which the ballots  
19 for acceptance or rejection of the Plan were solicited and tabulated were fair and properly  
20 conducted and in accordance with sections 1125 and 1126 of the Bankruptcy Code and  
21 Bankruptcy Rules 3017 and 3018.

22                         b.     The Debtor and her agents and Professionals, as applicable, have  
23 acted in "good faith," within the meaning of section 1125(e) of the Bankruptcy Code.

24                  9.     Section 1129(a)(3).     The Debtor has proposed the Plan in good faith  
25 and not by any means forbidden by law. In determining that the Plan has been proposed in  
26 good faith, the Court has examined the totality of the circumstances surrounding the case and  
27 the formulation of the Plan and based thereon, the Court finds and concludes that the Plan has  
28 been proposed with the legitimate and honest purpose of resolving the affairs of the Debtor and  
maximizing the returns to Creditors.

1           10. Section 1129(a)(4). The Plan satisfies section 1129(a)(4) of the  
2 Bankruptcy Code because the Plan provides that any Professional or other entity requesting  
3 compensation or reimbursement of expenses for services rendered before the Effective Date,  
4 must file and serve an application for final allowance of compensation and reimbursement of  
5 expenses.

6           11. Section 1129(a)(5). The Plan satisfies section 1129(a)(5) of the  
7 Bankruptcy Code as it provides adequate means for implementation.

8           12. Section 1129(a)(6). The Debtor's business does not involve the  
9 establishment of rates over which any regulatory commission has or will have jurisdiction after  
10 Confirmation, and, therefore, section 1129(a)(6) is not applicable.

11           13. Section 1129(a)(7). The Plan satisfies the "best interests" test of  
12 Section 1129(a)(7) of the Bankruptcy Code, and with respect to each impaired Class of Claims  
13 or Interests, each holder of a Claim or Interest in such impaired Class has accepted the Plan or  
14 will receive or retain under the Plan on account of such Claim or Interest property of a value, as  
15 of the Effective Date, that is not less than the amount such holder would receive or retain if the  
16 Debtor were liquidated on the Effective Date under chapter 7 of the Bankruptcy Code, because

17           a. The Plan is a reorganization plan that pays no less than 3 % to creditors  
18 while liquidation would pay creditors 0%; and

19           b. Confirmation avoids the additional fees, costs and delays attendant to the  
20 administration of the Estates by a trustee in the context of a chapter 7 case.

21           14. Section 1129(a)(8). Section 1129(a)(8) of the Code, which requires that  
22 each impaired Class has voted to accept the Plan, or is not impaired under the Plan. The required  
23 classes of claim previously voted to approve the Plan prior to modification under 11 U.S.C.  
24 § 1127 by that Order Confirming Debtor's First Amended Plan of Reorganization Dated  
25 September 12, 2014, As Amended by the Second Revised Plan Addendum Dated December 16,  
26 2014 (Docket No. 246) (the "2014 Plan"). Since no holder of a claim or interest changed its  
27 previous acceptance or rejection within the time fixed by the Court, pursuant to 11 U.S.C.  
28 § 1127(d), they are deemed to have accepted or rejected, as the case may be, such plan as  
modified, i.e., the Plan.

1 Thus, as discussed below, this Plan can still be confirmed since the Plan satisfies the  
2 requirements of section 1129(b) with respect to the non-voting classes.

3 15. Section 1129(a)(9). Consistent with the requirements of section 1129(a)(9)  
4 of the Bankruptcy Code, the Plan provides for the payment in cash in full of Allowed  
5 Administrative Claims, Allowed Priority Tax Claims and Allowed Priority Claims, if any, on  
6 the Effective Date.

7 16. Section 1129(a)(10). As indicated in the Plan Ballot Summary and reflected  
8 on the record at the Confirmation Hearing, at least one Class of Claims that is impaired under  
9 the Plan has voted to accept the Plan, determined without including any acceptance of the Plan  
10 by any insider.

11 17. Section 1129(a)(11). The Plan is not likely to be followed by the liquidation  
12 or the need for further financial reorganization of the Debtor. To satisfy his burden under  
13 section 1129(a)(11) of the Bankruptcy Code, the Debtor and his advisors prepared financial  
14 projections attached to the approved Disclosure Statement, which set forth the Reorganized  
15 Debtor's estimated Household Expenses and Debtor's Financial History and Projected Cash  
16 flows (the "**Financial Projections**"). The Financial Projections (along with the evidence  
17 proffered or adduced at, or prior to, the Confirmation Hearing), establish that the Reorganized  
18 Debtor will have sufficient cash flow from the Debtor's income from business and rental  
19 operations to make all payments that must be made pursuant to the Plan, including paying all  
20 Administrative Claims and Priority Claims, if any, in full (except as to Professionals who agree  
21 to a different treatment), and, therefore, that confirmation of the Plan is not likely to be followed  
22 by liquidation or the need for further reorganization.

23 18. Section 1129(a)(12). The Plan provides for the payment in full of all  
24 Administrative Claims of the Office of the United States Trustee payable pursuant to 28 U.S.C.  
25 § 1930.

26 19. Section 1129(a)(13). The Debtor did not provide any retiree benefits, as that  
27 term is defined in section 1114(a) of the Bankruptcy Code, and, therefore, the requirements of  
28 section 1129(a)(13) are not applicable.

1           20. Section 1129(a)(14). Section 1129(a)(14) of the Bankruptcy Code, which  
2 requires a debtor to pay domestic support obligations is satisfied here as the Debtor has testified  
3 that he is not subject to any judicial or administrative order to pay a domestic support  
4 obligation.

5           21. No parties have objected to the Plan on the grounds that section 1129(a)(15)  
6 is not satisfied. However, even if an unsecured creditor had objected, the Plan provides that  
7 holders of Allowed General Unsecured Claims will receive distributions significantly greater  
8 than those required by section 1129(a)(15). Based on the Financial Projections and other  
9 evidence, the Court finds that the evidence is persuasive and credible and has not been  
10 controverted by other evidence and that the Plan satisfies the requirements of section  
11 1129(a)(15) of the Bankruptcy Code.

12           22. Section 1129(a)(16). Section 1129(a)(16) of the Bankruptcy Code, which  
13 applies only to cases of nonprofit entities, does not apply in this Chapter 11 Case.

14           A. Non-Consensual Confirmation (Section 1129(b)). The Plan is confirmable  
15 pursuant to section 1129(b)(1) of the Code. Notwithstanding that holders of claims in certain  
16 impaired classes have failed to vote on the Plan, the Plan may be confirmed because:

- 17           a. The Plan does not discriminate unfairly and is fair and  
18 equitable with respect to the holders of claims in classes  
19 that did not vote for the Plan.
- 20           b. Except for parties making timely elections under Section  
21 1111(b) of the Bankruptcy Code, the holders of secured  
22 claims will retain the lien securing their claims in  
23 compliance with section 1129(b)(2)(A)(I) to the extent of  
24 the allowed amount of such claims, if any until all the  
25 allowed amount is paid.
- 26           c. The evidence proffered or adduced at or prior to the  
27 Confirmation Hearing with respect to the value of the  
28 properties securing the Secured Claims of the holders of  
secured claims classified into Classes One through Eight

are reasonable, persuasive and credible, and has not been  
controverted by other evidence.

B. Section 1129(c). Other than the Plan (including previous versions thereof), no other plan has been filed in this Chapter 11 Case. As a result, the requirements of section 1129(c) have been satisfied.

C. Section 1129(d). The primary purpose of the Plan is not avoidance of taxes or avoidance of the requirements of Section 5 of the Securities Act of 1933, as amended (the "Securities Act"), and there has been no objection filed by any governmental unit asserting such avoidance.

**NOW, THEREFORE, IT IS HEREBY ORDERED THAT:**

1. The Plan is CONFIRMED.

2. The Debtor is authorized and empowered to execute any and all documents and take such other actions as may be necessary or appropriate to implement the provisions of the Plan.

3. The Debtor shall separately move the Court for entry of her discharge and, pursuant to section 350 of the Bankruptcy Code and Bankruptcy Rule 3022, a final decree and order closing this bankruptcy case.

4. A post-confirmation status conference is to be held on September 13, 2016 at 1:30 P.M.

5. The reorganized debtor, Joseph Williams ("Debtor"), shall file a post-confirmation status report not less than 14 days prior to the September 13, 2016 status conference, and serve such report on the United States Trustee, all secured creditors, Maurice Stephenson, all administrative and priority unsecured creditors, the twenty largest unsecured creditors and those parties who have requested special notice. Debtor's post-confirmation status report shall include without limitation:

(1) An accounting of all payments required by Debtor's confirmed plan, as modified, and those that have been made or not made;

1 (2) The procedural status of any pending litigation which may affect the sale  
2 of any of the Debtor's real properties; and

3 (3) All of the information required by Local Bankruptcy Rule 3020-1(b).

4 6. Debtor shall file and serve post-confirmation status reports every 180 days  
5 thereafter, unless otherwise ordered by this Court.
